

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of both the dangers
of media
consolidation as
well as a clear
abuse of the public
airways which were
given away free to
broadcasters.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them.

Sinclair
Broadcasting is not
acting in the public
interest; therefore
its license(s)
should not be
renewed. Thank you.
